

PHILADELPHIA ADVERTISEMENTS
DR. TOWNSEND'S SARSAPARILLA!
MOST EXTRAORDINARY MEDICINE
IN THE WORLD.

THIS EXTRACT is put up in small bottles. It has been tried by thousands, and is esteemed superior to any solid or liquid medicine, without vomiting, purging, sickness, or distressing the patient. The great secret of the superiority of this Sarsaparilla over all other remedies is, while it eradicates disease, it invigorates the body.

IT HAS PERFORMED MORE THAN 15,000 CURES

IN THIS YEAR.

1,000 cases of *Dyspepsia*,
2,000 cases of *General Debility* and *Want of Nerves*

500 cases of *Consumption*, and over 7,000 cases of *Disease of the Blood*, &c.

Ulcers, scrofula, erysipelas, salt rheum, pleurisy on the lungs, &c., together with all kinds of constitutional diseases, &c., &c. Every subject on whom this extract is used, must appear incredible, but we have letters from physicians and our agents from all parts of the United States, attesting the efficacy of this extract, and one of the most respectable druggists in Newark, New Jersey, informs us that he can refer to more than one hundred and fifty cases in which the results of the treatment of this extract are very satisfactory.

P. T. TOWNSEND, D. J. WILSON, M. D., R. B. BRIGGS, M. D., L. E. HARRIS, D. C. COOPER, Albany, April 1, 1845.

The following is from one of the most respectable physicians on Long Island:

GARDEN CITY, July 19, 1846.

DR. TOWNSEND—Dear Sir—I am with satisfaction that I say to you, that I have recently witnessed several cases of *SARSAPARILLA*. Being engaged in the practice of medicine, I have prescribed it in several cases, and never without benefit. The symptoms are new and arising from a state of the digestive organs, &c., &c. I have no thing of the kind ever offered to the public. You will please send me two dozen, &c.

S. C. PRESTON, M. D.

UNITED STATES OFFICER.

Capt. G. W. McLean, Member of the Legislature, and late of the United States Navy, has kindly sent us the following certificate. It tells its own story.

RAYHAWK, Jan. 25, 1846.

A year since I was taken with the influenza, and my whole system left in a debilitated state. I was induced to try DR. TOWNSEND'S SARSAPARILLA, and believe it to be one of the best possible preparations of Sarsaparilla in the market.
